### **DETAILED ACTION**

Claims 1-19 are pending.

### **Claim Rejections - 35 USC § 103**

The following is a quotation of 35 U.S.C. 103(a) which forms the basis for all obviousness rejections set forth in this Office action:

(a) A patent may not be obtained though the invention is not identically disclosed or described as set forth in section 102 of this title, if the differences between the subject matter sought to be patented and the prior art are such that the subject matter as a whole would have been obvious at the time the invention was made to a person having ordinary skill in the art to which said subject matter pertains. Patentability shall not be negated by the manner in which the invention was made.

Claims 1-19 are rejected under 35 U.S.C. 103(a) as being unpatentable over Applicants' admitted prior art in view of CrystalLink Wireless KVM Transmitter and Receiver (Applicants' cited prior art).

Details of the rejections have already been set forth in the last Office action. The details are incorporated herein by reference thereto.

With respect to the newly inserted limitation that the KVM switch and the server communicate wirelessly, the KVM switch described in the CrystalLink Wireless KVM Transmitter and Receiver is a wireless transceiver.

### **Response**

Applicants fail to provide arguments as to why the amendment overcome the rejection. See Rule 1.111c.

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
